

LGPS (Amendment) (Governance) Regulations 2014

I refer to the consultation opened on 10 October 2014 seeking comments on the draft of the LGPS (Amendment) (Governance) Regulations 2014.

West Yorkshire Pension Fund (WYPF) are pleased with the changes made from the initial consultation and feel that these regulations will provide WYPF with sufficient flexibility to establish and operate a Local Pension Board.

WYPF does not have any comments on the regulations in connection with the employer cost cap and the role of the LGPS Scheme Advisory Board role in relation to this.
