

Conflict of Interest Policy

1. Introduction

- 1.1 Conflicts of interest have always existed for those with Local Government Pension Scheme (LGPS) administering authority responsibilities as well as for advisers to LGPS funds. This simply reflects the fact that many of those managing or advising LGPS funds will have a variety of other roles and responsibilities, for example as a member of the scheme, as an Elected Member of an employer participating in the LGPS or as an adviser to more than one LGPS administering authority. In addition, they may have an individual personal, business or other interest which might conflict, or be perceived to conflict, with their role managing or advising LGPS funds.
- 1.2 It is generally accepted that LGPS administering authorities have both fiduciary and public law duties to act in the best interests of both the scheme beneficiaries and participating employers. This, however, does not preclude those involved in the management of the fund from having other roles or responsibilities which may result in an actual or potential conflict of interest. Accordingly, it is good practice to document within a policy, such as this, how any such conflicts or potential conflicts are to be managed.
- 1.3 This is the Conflicts of Interest Policy of the West Yorkshire Pension Fund (WYPF), which is managed by City of Bradford MDC (CBMDC). The Policy details how actual and potential conflicts of interest are identified and managed by those involved in the management and governance of the WYPF whether directly or in an advisory capacity.
- 1.4 This Conflicts of Interest Policy is established to guide Advisory Panel, Pension Board members, officers and advisers. Along with other constitutional documents, including the various Codes of Conduct, it aims to ensure that they do not act improperly or create a perception that they may have acted improperly. It is an aid to good governance, encouraging transparency and minimising the risk of any matter prejudicing decision making or management of the Fund otherwise.

2. Aims and Objectives

- 2.1 In relation to the governance of the Fund, the Administering Authority's objectives are to ensure that:
 - all staff, Advisory Panel and Pension Board members charged with the financial administration and decision-making with regard to the Fund are fully equipped with the knowledge and skills to discharge the duties and responsibilities allocated to them

- the Fund is open in all its dealings and readily provides information to interested parties
- all relevant legislation is understood and complied with
- the Fund is at the forefront of best practice for LGPS funds
- all Conflicts of Interest are managed appropriately

The identification and management of potential and actual conflicts of interest is therefore integral to the Administering Authority achieving its governance objectives.

3. Application of this policy

- 3.1 This Conflicts of Interest Policy applies to all Advisory Panel and Pension Board member, including scheme member and employer representatives, whether voting members or not. It applies to all members of WYPF Management Team.
- 3.2 This Policy and the issue of conflicts of interest in general must be considered in light of each individual's role, whether this is a management, advisory or assisting role.
- 3.3 The Director - WYPF will monitor potential conflicts for less senior officers involved in the daily management of the Pension Fund and highlight this Policy to them as appropriate.
- 3.4 This Policy also applies to all advisers and suppliers to the Fund, whether advising the Advisory Panel, Pension Board or Fund officers, in relation to their role in advising or supplying the Fund.
- 3.5 In this Policy, reference to advisers includes all advisers, suppliers and other parties providing advice and services to the Administering Authority in relation to pension fund matters. This includes but is not limited to actuaries, investment consultants, independent advisers, benefits consultants, third party administrators, fund managers, lawyers, custodians and AVC providers. Where an advisory appointment is with a firm rather than an individual, reference to "advisers" is to the lead adviser(s) responsible for the delivery of advice and services to the Administering Authority rather than the firm as a whole.
- 3.6 In accepting any role covered by this Policy, those individuals agree that they must:
 - acknowledge any potential conflict of interest they may have;
 - be open with the Administering Authority on any conflicts of interest they may have;
 - adopt practical solutions to managing those conflicts; and

- plan ahead and agree with the Administering Authority how they will manage any conflicts of interest which arise in future.

The procedures outlined later in this policy provide a framework for each **individual to meet these requirements.**

4. Legislative and related context

- 4.1 There are a number of requirements relating to the management of potential or actual conflicts of interest for those involved in LGPS funds which are included in legislation or guidance. These are summarised in Appendix 1.

5. Other administering Authority Requirements

- 5.1 Individuals to whom this policy applies may also be required to adhere to other requirements in relation to conflicts of interest. This includes:
- Advisory Panel and Pension Board members who are required to adhere to the CBMDC Members' Code of Conduct
 - employees who are required to adhere to the CBMDC Employees' Code of Conduct

advisers who are expected to have their own policies or protocols.
Further information is provided in Appendix 2.

6. What is a Conflict or potential Conflict and how will it be managed?

- 6.1 The Public Service Pensions Act 2013 defines a conflict of interest as a financial or other interest which is likely to prejudice a person's exercise of functions.

Therefore, a conflict of interest may arise when an individual:

- has a responsibility or duty in relation to the management of, or provision of advice to, the LGPS fund administered by CBMDC,
- and at the same time, has:
 - ◆ a separate personal interest (financial or otherwise) or
 - ◆ another responsibility in relation to that matter,

giving rise to a possible conflict with their first responsibility. An interest could also arise due to a family member or close colleague having a specific responsibility or interest in a matter.

Some examples of potential conflicts are included in Appendix 3.

- 6.2 CBMDC encourages a culture of openness and transparency and encourages individuals to be vigilant; have a clear understanding of their role and the circumstances in which they may have a conflict of interest, and of how potential conflicts should be managed.

- 6.3 CBMDC will evaluate the nature of any dual interests or responsibilities that are highlighted and assess the impact on Pension Fund operations and good governance were an actual conflict of interest to materialise.

Ways in which conflicts of interest may be managed include:

- the individual concerned abstaining from discussion, decision-making or providing advice relating to the relevant issue
- the individual being excluded from the meeting(s) and any related correspondence or material in connection with the relevant issue
- a working group or sub-committee being established, excluding the individual concerned, to consider the matter outside of the formal meeting (where the terms of reference permit this to happen)

Provided that the Administering Authority (having taken any professional advice deemed to be required) is satisfied that the method of management is satisfactory, CBMDC shall endeavour to avoid the need for an individual to resign due to a conflict of interest. However, where the conflict is considered to be so fundamental it cannot be effectively managed, or where a Pension Board member has an actual conflict of interest as defined in the Public Service Pensions Act 2013, the individual will be required to resign from their role.

7. Responsibility

- 7.1 The Administering Authority for the WYPF Fund must be satisfied that conflicts of interest are appropriately managed. For this purpose, the Director - WYPF is the designated individual for ensuring the procedure outlined below is adhered to.

However, it is the responsibility of each individual covered by this Policy to identify any potential instances where their personal, financial, business or other interests might come into conflict with their pension fund duties.

8. Operational procedures

8.1 Declaration at Appointment

8.1.1 On appointment to their role or on the commencement of this Policy if later, all individuals will be provided with a copy of this Policy and be required to complete a Declaration of Interest form. The information contained in this declaration will be collated into the Pension Fund's Register of Conflicts of Interest.

8.2 Declaration at Meetings

8.2.1 At the commencement of any Advisor Panel, Pension Board or other formal meeting where pension fund matters are to be discussed, the Chair will

ask all those present who are covered by this Policy to declare any new potential conflicts.

8.2.2 These will be recorded in the Fund's Register of Conflicts of Interest. In addition, the latest version of the register will be made available by the Director - WYPF to the Chair of every meeting prior to that meeting.

8.2.3 Any individual who considers that they or another individual has a potential or actual conflict of interest which relates to an item of business at a meeting, must advise the Chair and the Director - WYPF prior to the meeting, where possible, or state this clearly at the meeting at the earliest possible opportunity. The Chair, in consultation with the Director - WYPF, should then decide whether the conflicted or potentially conflicted individual needs to leave the meeting during the discussion on the relevant matter or to withdraw from voting on the matter.

8.2.4 If such a conflict is identified outside of a meeting the notification must be made to the Director – WYPF and where it relates to the business of any meeting, also to the Chair of that meeting. The Director - WYPF, in consultation with the Chair where relevant, will consider any necessary action to manage the potential or actual conflict.

8.2.5 Where information relating to any potential or actual conflict has been provided, the Director - WYPF may seek such professional advice as he or she thinks fit (such as legal advice from the Monitoring Officer) on how to address any identified conflicts.

8.2.6 Any such potential or actual conflicts of interest and the action taken must be recorded in the Fund's Register of Conflicts of Interest.

8.3 Annual Declaration

8.3.1 Every 12 months all individuals will complete a new Declaration of Interest confirming that their information contained in the Register is correct or highlighting any changes that need to be made to the declaration.

8.4 Conduct at Meetings

8.4.1 There may be circumstances when a representative of employers or members wishes to provide a specific point of view on behalf of an employer (or group of employers) or member (or group of members). The Administering Authority requires that any individual wishing to speak from an employer's or member's viewpoint must state this clearly, e.g. at a Pension Board or Advisory Panel meeting, and that this will be recorded in the minutes.

9. Operational procedures for advisers

9.1 Although this policy applies to all of the key advisers, the operational procedures outlined in 8.1 and 8.3 above relating to completing declarations do not apply to advisers. Instead all advisers must:

- be provided with a copy of this Policy on appointment and whenever it is updated
- adhere to the principles of this Policy
- provide, on request, information to Director - WYPF as to how they will manage and monitor actual or potential conflicts of interests relating to the provision of advice or services to CBMDC as Administering Authority
- notify the Director – WYPF immediately should a potential or actual conflict of interest arise.

All potential or actual conflicts notified by advisers will be recorded in the Fund's Register of Conflicts of Interest.

10. Monitoring and reporting

10.1 The Fund's Register of Conflicts of Interest may be viewed by any interested party by appointment during normal business hours. In addition information relating to conflicts of interest will be published in the Fund's Annual Report and Accounts.

10.2 In order to identify whether the objectives of this Policy are being met the administering authority will review the Register of Conflicts of Interest on an annual basis and consider whether there has been any potential or actual conflicts of interest that were not declared at the earliest opportunity.

11. Key Risks

11.1 The key risks to the delivery of this Policy are outlined below all of which could result in an actual conflict of interest arising and not being properly managed. The Director - WYPF will monitor these and other key risks and consider how to respond to them, taking advice from the City Solicitor where required.

The key risks are:

Insufficient training or poor understanding in relation to individuals' roles on pension fund matters

Insufficient training or failure to communicate the requirements of this Policy

Absence of the individual nominated to manage the operational aspects of this Policy and no one deputising or failure of that individual to carry out the operational aspects in accordance with this Policy

Failure by a chair to take appropriate action when a conflict is highlighted at a meeting.

12. Costs

- 12.1 All costs related to the operation and implementation of this Policy will be met directly by WYPF. However, no payments will be made to any individuals in relation to any time spent or expenses incurred in the disclosure or management of any potential or actual conflicts of interest under this Policy.

Legislation, Regulation and Guidance on Conflicts of Interest

The requirements in relation to the management of potential or actual conflicts of interest for those involved in LGPS funds are contained in various elements of legislation and guidance.

The Public Service Pensions Act 2013

Section 5 of this Act requires that the scheme manager (in the case of the LGPS, this is the administering authority) must be satisfied that a local pension board member does not have a conflict of interest at the point of appointment and from time to time thereafter. It also requires local pension board members (or nominated members) to provide reasonable information to the scheme manager for this purpose.

The Act defines a conflict of interest as “a financial or other interest which is likely to prejudice the person’s exercise of functions as a member of the board (but does not include a financial or other interest arising merely by virtue of membership of the scheme or any connected scheme).”

Further, the Act requires that scheme managers must have regard to any such guidance that the national scheme advisory board issue.

The Local Government Pension Scheme Regulations 2013

Regulation 108 of these Regulations applies the requirements of the Public Service Pensions Act (as outlined above) to the LGPS, placing a duty on each administering authority to satisfy itself that local pension board members do not have conflicts of interest on appointment or whilst they are members of the board. It also requires those pension board members to provide reasonable information to the administering authority in this regard.

Regulation 109 states that each administering authority must have regard to guidance issued by the Secretary of State in relation to local pension boards. Further, regulation 110 provides that the national scheme advisory board has a function of providing advice to administering authorities and local pension boards. At the point of writing this Policy, the shadow LGPS national scheme advisory board has issued guidance relating to the creation of local pension boards including a section on conflicts of interest. It is expected that this guidance will be adopted by the scheme advisory board when it is established and possibly also by the Secretary of State. This Conflicts of Interest Policy has been developed having regard to that guidance. The guidance can be viewed at: www.lgpsboard.org/index.php/about-the-board/board-guidance

The Pensions Act 2004

The Public Service Pensions Act 2013 added a number of provisions to the Pensions Act

2004 related to the governance of public service pension schemes and, in particular, conflicts of interest.

Section 90A requires the Pensions Regulator to issue a code of practice relating to conflicts of interest for pension board members. The Pensions Regulator has issued such a code and this Conflicts of Interest Policy has been developed having regard to that code. The code can be viewed at www.thepensionsregulator.gov.uk/guidance/guidance-conflicts-of-interest.aspx

Further, under section 13, the Pensions Regulator can issue an improvement notice (i.e. a notice requiring steps to be taken to rectify a situation) where it is considered that the requirements relating to conflicts of interest for Pension Board members are not being adhered to.

The Localism Act 2011

Chapter 7 of this Act requires councillors to comply with the code of conduct of their local authority and that code of conduct must be consistent with the Seven Principles of Public Life (set out below). In addition the Act requires that the code of conduct must include provisions requiring the disclosure and registration of pecuniary interests and interests other than pecuniary interests.

The Seven Principles of Public Life

Otherwise known as the ‘Nolan Principles’, the seven principles of public life apply to anyone who works as a public office-holder. This includes people who are elected or appointed to public office, nationally and locally, and all staff in:

- the civil service
- local government
- the police
- the courts and probation services
- non-departmental public bodies
- health, education, social and care services

The principles also apply to all those in other sectors that deliver public services.

Many of the principles are integral to the successful implementation of this Policy. The principles are as follows:

- selflessness
- integrity
- objectivity
- accountability
- openness
- honesty
- leadership.

Advisers' Professional Standards

Many advisers will be required to meet professional standards relating to the management of conflicts of interest, for example, the Fund Actuary will be bound by the requirements of the Institute and Faculty of Actuaries. Information about these requirements can be viewed at:

www.actuaries.org.uk/regulation/pages/conflicts_of_interest

Any Protocol or other document entered into between an adviser and the Administering Authority in relation to conflicts of interest, whether as a requirement of a professional body or otherwise, should be read in conjunction with this Policy.

Appendix 2

Other Administering Authority Requirements

In addition to the requirements of this Policy, Advisory Panel and Pension Board members and co-opted members (including non-voting co-opted members) are required to adhere to the CBMDC Members' Code of Conduct or the CBMDC Code of Conduct for Employees.

Pension Board Members

In addition to the requirements of this Policy, Pension Board members are required to adhere to the Terms of Reference of the Pension Board.

Employees

In addition to the requirements of this Policy, officers of CBMDC are required to adhere to the CBMDC Code of Conduct for Employees.

Advisers

The Administering Authority appoints its own advisers. There may be circumstances where these advisers are asked to give advice to CBMDC or other scheme employers, or even to scheme members or member representatives such as the Trades Unions, in relation to pension matters. Similarly, an adviser may also be appointed to another administering authority which is involved in a transaction involving the WYPF and on which advice is required. An adviser can only continue to advise the Administering Authority and another party where there is no conflict of interest in doing so.

Where the Pension Board decides to appoint an adviser, this can be the same person, or organisation as is appointed to advise Advisory or Fund officers as long as there is no conflict of interest between the two roles.

The key advisers are all expected to have their own policies or protocols on how conflicts of interest will be managed in their relationships with their clients, and these must be shared with the Fund.

Appendix 3

Examples of potential Conflicts of Interest:

- a) An elected member on the Advisory Panel is asked to provide views on a funding strategy which could result in an increase in the employer contributions required from the employer he or she represents.
- b) A member of the Advisory Panel is on the board of a Fund Manager that is being considered for appointment.
- c) An officer of the Fund or member of the Advisory Panel accepts a dinner invitation from a service provider who has submitted a bid as part of a tender process.
- d) An employer representative on the Pension Board is employed by a company to which the administering authority has outsourced its pension administration services and the Pension Board is reviewing the standards of service provided by that company.
- e) The person appointed to consider internal disputes is asked to review a case relating to a close friend or relative.
- f) An officer of the Fund is asked to provide guidance to the Pension Board on the background to an item considered at the Advisory Panel. This could be a potential conflict as the officer could consciously or sub-consciously avoid providing full details, resulting in the Board not having full information and not being able to provide a complete view on the appropriateness or otherwise of that item.
- g) An employer representative employed by the administering authority and appointed to the Pension Board to represent employers generally could be conflicted if he or she only acts in the interests of the administering authority, rather than those of all participating employers. Equally, a member representative, who is also a trade union representative, appointed to the pension board to represent the entire scheme membership could be conflicted if he or she only acts in the interests of their union and union membership, rather than all scheme members.
- h) A Fund adviser is party to the development of a strategy which could result in additional work for their firm, for example, providing assistance with monitoring the covenant of employers.
- i) An employer representative has access to information by virtue of his or her employment, which could influence or inform the considerations or decisions of the Advisory Panel or Pension Board. He or she has to consider whether to share this information in light of their duty of confidentiality to their employer. Their knowledge of this information will put them in a position of conflict if it is likely to prejudice their ability to carry out their functions as a member of the Advisory Panel or Pension Board.
