CARE pensions up 10.1% in 2023

The adjustment to your CARE pension for 2023 is an increase of 10.1%. This figure comes from the rate of inflation for the previous September, as measured by the Consumer Prices Index.

When was the increase added to my pension?

This year's 10.1% increase was applied to your pension on 6 April 2023. However, your 2023 statement can only show your pension up to the end of the 2022/23 'scheme year', which is before the increase was added. It will be your 2024 statement that shows the effect of applying the 10.1% increase.

About the adjustment

We adjust the pension you've built up so far every April in line with the Treasury Department's Revaluation Order, currently set by the Consumer Price Index (CPI) for the September before the increase date. The adjustment only applies to the CARE part of your pension. If you also have final-salary pension benefits from membership before April 2014 they're worked out differently and the increase doesn't apply to them until you retire.

New contribution bands for 2023/24

The contribution rate you pay for your LGPS pension depends on which 'pay band' your pay falls into, and the bands usually change in April. The government adjusts the bands according to the Consumer Price Index for the previous September, so this year they went up by 10.1%.

The table below shows the new pay bands and your contribution rate for the main section of the scheme and the 50/50 section (find out more about that at www.wypf.org.uk/5050) if you opted to pay half your usual contributions.

Yearly pay	Contribution rate	
	Main	50/50
Up to £16,500	5.5%	2.75%
£16,501 to £25,900	5.8%	2.9%
£25,901 to £42,100	6.5%	3.25%
£42,101 to £53,300	6.8%	3.4%
£53,301 to £74,700	8.5%	4.25%
£74,701 to £105,900	9.9%	4.95%
£105,901 to £124,800	10.5%	5.25%
£124,801 to £187,200	11.4%	5.7%
£187,201 or more	12.5%	6.25%

Change at the top for WYPF

Following the retirement of our Managing Director Rodney Barton in March 2023, WYPF's top job was expanded into two new roles, now held by Managing Director Euan Miller and Chief Investment Officer Leandros Kalisperas.

**Rodney Barton retires as
Managing Director**

Rodney joined the pension fund in 2009 and over those years saw the fund grow from £7 billion to around £18 billion today.

Rodney was responsible for steering WYPF into the Northern LGPS investment pool, raising WYPF's profile as one of the top public sector pension funds in the country and winning numerous national awards. He was awarded the LGC Investment Lifetime Achievement award in September 2022 after more than four decades of local government service, an award that cited his incredible investment knowledge, and noted how greatly he is respected within the Local Government Pension Scheme for his work with the LAPFF.

We wish Rodney a long and happy retirement.

**Euan Miller – WYPF's new
Managing Director**

Euan joins us from Greater Manchester Pension Fund where he was Assistant Executive Director.

Euan has been ensuring a smooth transition from his predecessor.

Euan says:

"It's an investment heavy job at West Yorkshire, so we have two people replacing one... in Leandros, we have someone with a great deal of investment experience, while I'm in a more strategic role.

It's our job to have enough money to pay the right people, the right benefits at the right time at an acceptable level of cost for employers. We have done that for many years. I hope under my watch, we will continue to do so."

**Leandros Kalisperas – WYPF's
new Chief Investment Officer**

*Leandros joins us from global investment organisation **abrdn** where he was Head of Portfolio Solutions.*

Leandros says:

"One of the reasons I have been brought in is to see how the strategic asset allocation might evolve... One of my initial challenges and opportunities is to work with our equities, bonds and alternatives teams in making significant allocations across the UK and globally.

It is a case of coming in, listening to the team, observing and then seeing what might be required.

I have a view that the country could do with having financial centres of excellence outside London and the southeast."

RETIREMENT COURSES

FREE 2023

If you're considering retirement soon, why not join Affinity Connect, our pre-retirement partner, for an informative retirement planning session. Keeping your retirement plans on track is really important, it's always best to start planning early! This course is perfect for you if you are within three years of retirement and require more information about how to maximise retirement savings.

[Click here for more information and to book](#)

What's covered?

**Lifestyle changes • Managing change
• Income in retirement • State pension and other benefits • Personal taxation and tax tips • Money management • Budgeting in retirement • Making your money last**

Workshop dates

17 August 2023	9:30am to 12:00pm
31 August 2023	4:00pm to 6:30pm
07 September 2023	9:30am to 12:00pm
04 October 2023	9:30am to 12:00pm
26 October 2023	1:00pm to 3:30pm
20 November 2023	9:30am to 12:00pm
29 November 2023	4:00pm to 6:30pm
18 December 2023	1:00pm to 3:30pm
20 December 2023	9:30am to 12:00pm

These workshops provide information only and will not include or constitute financial advice.

Paying extra to get a bigger pension

We have two ways you can get a bigger pension.

APCs

Buy up to £7,579 of guaranteed extra yearly pension in the LGPS with additional pension contributions. Pay monthly or by lump sum. The pension you buy is inflation-proofed, both before and after retirement. Find out more at www.wypf.org.uk

AVCs

With additional voluntary contributions from our providers **Prudential** and **Scottish Widows** you can buy extra pension and lump sum at retirement. You pay a percentage of your salary or a set amount. AVCs are flexible – you can change your payments, take a break, or stop paying at any time.

Read more at www.wypf.org.uk/payingextra

2023/24 HMRC tax allowances

Annual allowance £60,000 but with a tapered reduction to a minimum of £10,000 depending on earnings.

Lifetime allowance Abolished from 6 April 2023
Find out more at www.wypf.org.uk/allowances

Have you tried our new estimate calculator?

We've added a new function to our **My Pension** online service – now you can create your own retirement estimates in a few moments!

We think this will be a very useful and popular feature that could help you plan your retirement.

You can create as many estimates as you like using different retirement dates and pay.

How to create your estimate

- 1 Log in to **My Pension**
- 2 Choose **retirement estimate calculator** in the blue panel on the right
- 3 Enter the date you want to retire and your expected pay to get your estimate.

Pension Dashboards are coming

The Department for Work and Pensions, via the Money and Pensions Service (MaPS), is creating a 'Pension Dashboard' that will be free for all UK citizens to view all their pension information, no matter how many different pensions they have, securely, online and in one place.

All pension schemes in the UK, including the Local Government Pension Scheme (LGPS), need to connect to the dashboard ecosystem to provide pension members' information in a secure way. The project is being managed by the **Pension Dashboard Programme** and you can find out all about them on their website [here](#).

Why does the Government want to set up a Pension Dashboard?

The aim is simple – they want the pension industry to provide clear and simple information about a person's multiple pension savings, including their State Pension. They also want the industry to help people reconnect with any lost pension pots they have.

When will it be launched?

Dashboards are being launched in five phases from **programme mobilisation** to **Transition to business as usual**. Phase one is due to start in the summer of 2023, with public service schemes like ours expected to join by the end of September 2024.

However, in March 2023 a written ministerial statement was issued which suggested these timelines may shift further into the future but we do not know what changes to the timetable will be made. But you can be sure that we'll let you know when this new service is available.

Help for Households

The government's **Help for Households** campaign website is your one-stop-shop for useful money-saving tips and links to find help with benefits you might be able to claim. See what support is available to help with the cost of living and find out how to save money with their energy saving tips.

The subjects they cover include

- **Cost of Living Payment**
- **Energy saving tips to save money**
- **Support with energy bills**
- **Support if you're disabled or have a health condition**
- **Household costs**
- **Income support**
- **Travel costs**
- **Help with childcare costs**

On the **website** you just have to answer a few simple questions to check what benefits and financial support you might be able to get to help with your living costs. Visit:

<https://helpforhouseholds.campaign.gov.uk/>

Your pension is protected against falls in the stock market

LGPS defined benefit pensions are not linked to stock market performance and are set out in statute by the government. LGPS scheme members can therefore be assured that both their contributions and their pension, whether in payment now or built up to date, will be unaffected.

Although short term investment values may vary, the LGPS as a long-term investor is securely managed to address any longer-term impacts.

www.wyprf.org.uk/mypension

Moving house?

If you move house we need to know your new address, not only to keep your records up to date but to make sure personal or sensitive information doesn't go to your old address putting you at risk of identity fraud.

So when you move, please let us know about it as soon as you can. Please also tell your employer you've moved, and if you're paying AVCs, your AVC provider.

Your death grant

If you die while you're paying into the scheme, we pay a death grant of at least three times your pay (the actual amount may be different if you have other pensions in the LGPS). You can choose who gets this money. If you haven't nominated anyone yet you can download a form on www.wypf.org.uk/deathgrant

Transfer time limits

If you're thinking about leaving the pension scheme and transferring your LGPS pension to another provider, please remember that to be entitled to transfer your pension you must leave this scheme and choose to transfer your pension at least one year before your normal pension age (NPA).

Beware of pension scams: falling foul of a scam could mean you lose some or all of your money. See pensions-scams.com or fca.org.uk/scamsmart

- 3 ... temporary payment of pension for up to three years

Q How long do I have to pay in to be entitled to a pension?

A Two years

Q How long can I pay into the pension scheme?

A Up to age 75

Foster care opportunities in West Yorkshire

A fulfilling way to make a positive impact on your community

What is foster care?

Foster carers provide safe and stable homes for a child or young person unable to live with their birth family. Carers give children and young people a short- or long-term home, offering them love, support, and a sense of belonging. Fostering can be a challenging but immensely rewarding experience, and can offer a sense of purpose and fulfilment.

Helping children stay local and maintain connections

In West Yorkshire, there is a shortage of foster carers, so many children and young people are being placed away from their friends, family, and schools. This can be a traumatic experience for children and young people who are already dealing with difficult situations in their lives. You could help more children and young people stay in their local area and maintain important connections.

How flexible is fostering?

You can choose to work part-time or full-time and you will receive comprehensive training and ongoing support, as well as an allowance and fee to cover the costs of caring for the child or young person in your home.

Steps to becoming a foster carer

- Start by contacting your local authority or trust (see the links below) and expressing your interest in fostering. They'll provide you with more information about the process and answer any questions you may have.
- Fill in an application form.
- Once your application has been processed, you will undergo an assessment to ensure that you are suitable to become a foster carer.

Foster carers provide homes for children and young people, offering them love, support, and a sense of belonging.
